# *The NEFF CORE RANGE OVENS*

BUILT-IN OVEN RANGE 2023 - INCLUDING NEW N90 & N70 RANGE

# *Refreshed. Refined* **REDESIGNED**

NEFF has been and always will be about bringing joy to the kitchen and sparking cooking enthusiasm in people.

We have sharpened, refocused and refined the NEFF brand whilst retaining the values that make NEFF so inspiring to those that love to cook.

Our logo and tagline have evolved - Cook. Create. Inspire. In this concise brochure we reinforce the unconventionality of the brand - how we truly are ***Open Like No Other*** and we unfold the range that we will introduce this year.

The new refreshed N90 & N70 are refined and sleek in the new Graphite Grey and have an intuitive new Touch Screen Control. Our N50 Range is also fully detailed with the more traditional dial controls available in classic Stainless Steel and Graphite Grey – truly offering something for every cooking style.

# NEFF

## *Open like no other*

### **Cooking is an expression**

- it's about creating meals using ordinary ingredients but cooking them well - cooking them your way - adding a twist here and there and then sharing that meal. NEFF allows you to cook just how you want - with our range of ovens and technologies we allow you to be creative, be spontaneous, add a twist, a new flavour and remain open to try new things.

## *Open for CREATIVE FREEDOM*

### **Slide & Hide® – The only oven with a disappearing door**

**Slide & Hide® is simply the first choice for individualists, who want to enjoy their passion for cooking without limitations.**

Our iconic Slide & Hide® door effortlessly slides away beneath the oven when not in use. So nothing gets in the way of your creativity. Get up close and personal to season and stir your favourite dishes.

## *Open for YOUR TASTE*

### **Circo Therm® – Hot air system for simultaneous cooking**

Circo Therm® hot air technology focusses heat directly on the food being cooked, so surfaces of bakes and roasts are sealed quickly. This seals in moisture makes meats juicier and cakes delicious and moist.

Circo Therm® allows you to be the most creative cook you choose to be - show off bakes evenly cooked, inspiring powerful flavours that can all be cooked with more delicate dishes and each one tastes just as it should - and for those that want to use every inch of the oven when it's on, you can easily bake and roast meals for later in the week at the same time - being not only creative but energy efficient too.

# Ultimate flavour and texture

Cooking with steam isn't just cooking with steam, its temperature, volume and the precise moment it hits your food all play an important role in flavour and texture. The NEFF Core range has a variety of steam options to suit every cooking style across the various value classes.

## Intensive Steam

### Intensify flavours and preserve nutrients

Experience Full Steam with the new Intensive Steam feature with 120°C heat that retains your ingredient's nutrients and taste, for deliciously moist and flavoursome results. The fixed water tank makes operation and refilling a breeze.

## Vario Steam®

### Family feasts, cooked to perfection

Vario Steam® gives dishes just the right amount of moisture by adding steam at three intensity levels, meaning all your dishes retain their gorgeous colour and flavour. A low level is perfect if you're reheating a dish you've cooked earlier and a higher level is great for baking bread.

## Added Steam

### Perfect for bread baking

Added Steam releases steam into the oven at the start of a bake, allowing for perfect moisture levels without compromising on a crispy crust. For perfect bread, muffins, and more.

## Fully connected cooking

## NEW Get more with Home Connect

Be inspired and reduce food waste with free recipes in the Home Connect app and with our recipe partners. Achieving perfect results has never been easier. With Oven Assistant, simply use the Home Connect app or ask Alexa to find the perfect setting for your dish. For regularly used programmes, save these as favourites for super quick, convenient access, so you can concentrate on your cooking. Stay better connected with your guests with oven control and monitoring via smartphone, voice or smartwatch. No more dashing back and forth to the kitchen!

\*Home Connect available on selected models only.

## Pyrolytic Self-Cleaning – So you don't have to

With Pyrolytic Self-Cleaning hand cleaning the oven becomes a thing of the past. Turn on the function and let it transform all the splatterings and drippings into ash. When the oven has cooled, wipe off the rest and presto, your oven is spick and span again. Easy Clean comes in handy as a quick way to clean your oven interior in between pyro cycles. Just some water and a drop of liquid detergent, activate the Easy Clean programme and wipe off the softened food residue afterwards.

*Dark. Dramatic.  
Contemporary*

# *Introducing GRAPHITE GREY to the N90 & N70 Collections*

## *Introducing Graphite Grey to our NEFF Core Range*

This rich dark tone of grey will be introduced across the NEFF Core Range throughout 2023. It's already available in our N50 Collection and this brochure has been designed to introduce the brand new features that we are introducing to our N90 & N70 Collections.

## **NEW Twist Pad®**

On selected models there is a brand new Twist Pad®\*. Using the same control to point and twist to operate the hob, this also features a graphite grey trim to accessorize to the oven trim.

\*This new Twist Pad® is available on selected N90 Flex induction hobs.

# *Fascia Display Types* **HIERARCHY**

New high resolution interface available across N90 and N70 collections

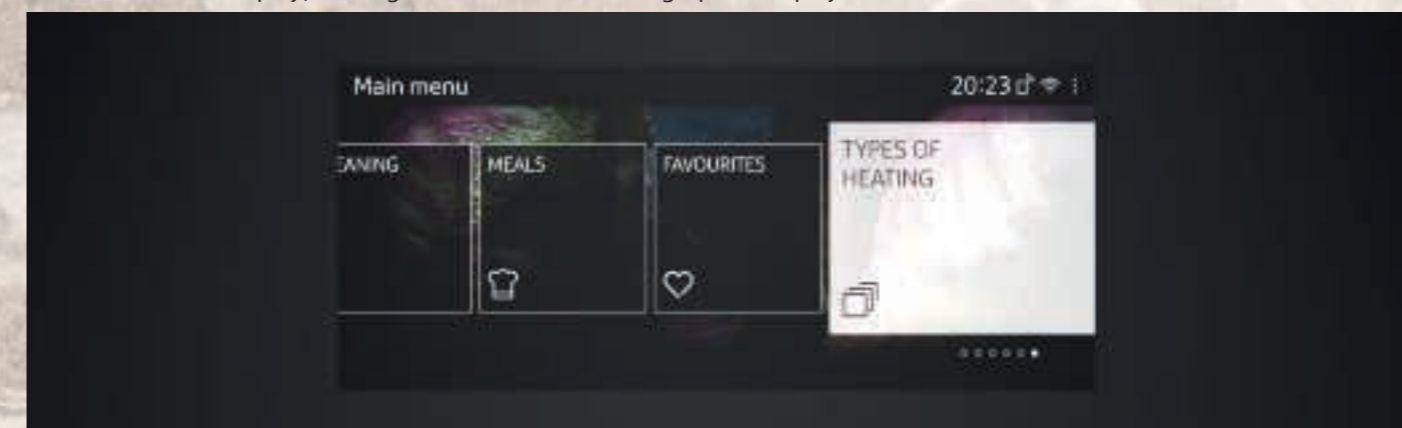

Our Update to N90 & N70 includes the brand new Full Touch Screen interface. The Full Touch Screen is both intuitive and responsive – control the function and temperature with a swipe and a tap to allow for ultimate flexibility while cooking. The Full Touch Screen is available in three sizes to match the collections.

All N90 and N70 products come with Home Connect enabling you to be more connected to your cooking.

## N90 Full Touch 3

Full Touch Screen display; 6.8" high resolution TFT colour graphics display.

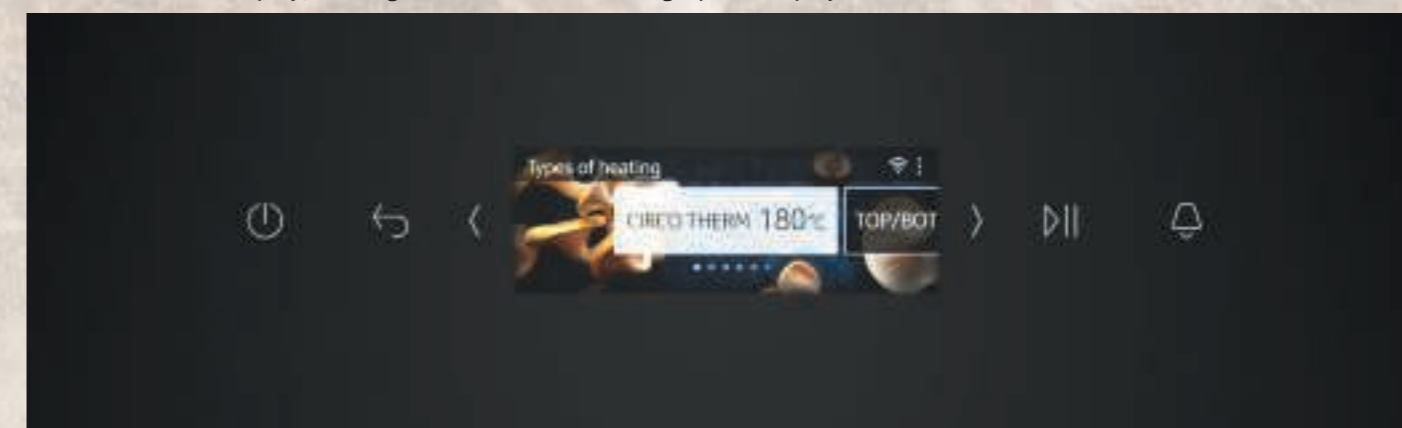

## N90 Full Touch 2

Full Touch Screen display; 4.1" high resolution TFT colour graphics display.

## N70 Full Touch 1

Full Touch Screen display; 3.7" high resolution TFT colour graphics display.

Slide & Hide® Single Pyrolytic Oven with Full Touch 1 display

# Enjoy more flexibility with NEFF N50

At NEFF, we are Open to Everything: designing appliances that inspire our customers to unleash their creativity in the kitchen. Whatever form that takes.

Being open means that we embrace innovation, creativity, and individuality in our products, as well as our customers. And our N50 Range is no exception.

*Graphite Grey*

*Stainless Steel*

## Designed to match your style

The N50 Range now offers more choice with selected models in Single, Compact and Double ovens available in Graphite Grey or Stainless Steel finish.

## Innovation at its core

Packed with innovative features, from the iconic *Slide & Hide® door*, to *Circo Therm®*, *Pyrolytic Self-Cleaning* and *Added Steam*, the N50 Range has everything you need to express your creativity.

## Precise control at your fingertips

It's also important to us that we embrace tradition, so each N50 appliance features precise, tactile manual controls. Plus, new to some models in the range is remote touch-control via the Home Connect app. Allowing for the ultimate convenient cooking experience.
